

The image shows the back of a black smartphone with its cover removed, revealing the internal components. A white rectangular box is superimposed over the central part of the phone, highlighting the area where the FCC ID label is typically located. The text "FCC ID", "Label", and "Location" is printed in bold black font on this white box. The phone's internal circuitry, including the battery, motherboard, and various connectors, is visible around the highlighted area. The phone is resting on a light-colored wooden surface.

**FCC ID**  
**Label**  
**Location**
